Summary

45 golfers enjoyed a beautiful, sunny day of golf at the River Oak Golf Course Nicolaus, California. Twenty eight golfers scored par or better in their net score. Either we are getting better or the course played way too easy. Next time the men will be playing from the black and blue tees!

Take a moment and look at the closest to the pin winners. Four golfers hit the ball within six feet or better – congratulations once again. Could a hole in one be in the cards for someone soon?

In closing, this tournament was a lot of fun. In fact for \$48 dollars, we had range balls, golf/cart and lunch. Not to mention way too much fun. Hope to see you at “The Ridge” in Auburn next month.
