### ***PRESIDENT'S CORNER—***

What a great start for 2011! We enjoyed the February "Welcome Back" Tournament at Haggin Oaks, in spite of a early and chilly shot gun start. What a wonderful surprise to see 16 lady participants. Some were new members who went home as winners! The March "Welcome To The City of Davis" Tournament was also a success with 52 golfers participating. Check out the results of the tournaments later in the newsletter.

I would like to thank the Board and other members for their concerted efforts in bringing "new blood," and more women golfers to join this year. Membership is now up to 93! A special welcome goes out to all new members. Also, great appreciation and thanks to renewing members and reestablishing memberships to SABGC. I am again encouraging new members to get involve by volunteering to shadow a Board member and run for office. I am looking forward to our next "Country Club Style " tournament, scheduled at Granite Bay, Monday, April 4, a 10:00am shotgun start. We had a great time last year, so get those entries in. Don't miss this one!

**From the Junior Golf Director**

**Juniors – this year can be as exciting or as boring as you want it to be when playing this great game of golf. However, if you want it to be educational – you will have to challenge yourself and take advantage of all the great opportunities that will be available to you during the 2011 season.**

**I hope that each of you will complete this year with success and accomplishments. If not by winning tournaments – you will do so from improving your game.**

**I will do my part by offering you a variety of opportunities to improve and play throughout the year. So I hope to see you at our 'TEE OFF' meeting on March 26<sup>th</sup>, so you can find out first hand, what is available for you. So do not wait to let your parent(s), relative or a friend know that you may need a ride – if you do not have your license yet. Mark your calendar, set your reminder and do not be late. Even in a golf tournament – there are penalties for lateness. Let's not start the year off with that on our score card. See you soon.**

**If you have any questions or concerns, please do not hesitate to contact me at [aaron@prodigygolfers.com](mailto:aaron@prodigygolfers.com) or [sachighgolf@gmail.com](mailto:sachighgolf@gmail.com) or 916-806-2269**

In summary, the Haggin Oaks Golf Course held up well after enduring three days of rain from the previous week. 47 golfers got up early to begin an 8 am shotgun start. Next time we play this early, I promise to bring the donuts.

Even though the clouds were overhead all day, the rain stayed away and the sun even crept it's head out once or twice during the round. Because of the rain, we played winter rules, (within a club length) however the greens were in very good shape. Pin placements were challenging, and the bump and run shot was not the best shot to use because of the wetness around the greens.

Sixteen ladies participated in the "Sacramento Finest" ladies flight. Love and gratitude goes out to Aliane Hasan, Ursula Whitfield and Yolanda Harris for their efforts in helping SABGC increase the number of ladies playing golf in our tournaments.

### Summary

52 golfers enjoyed a beautiful day of trash talking, fellowship and golf at the Wildhorse Golf Course in Davis, California. The weather was beautiful the entire day (well most of the day as raindrops started to sprinkle as we left the course).

Three juniors and several first time golfers joined us for the 8:30 shotgun start. The course was in beautiful shape. Even with bumpy greens, the golfers scored 26 birdies.

Congratulations to all of our flight, closest to the hole and all birdies pay winners. We look forward to seeing each of you at the next SABGC tournament which is scheduled for April
