### **Summary**

After a week of rain in Sacramento, 29 golfers drove to Stockton and enjoyed a beautiful, sunny day of golf at the Swenson Park Golf Course. The course played long and the wind acted up on all of the par 3's that I played on (especially when I was teeing up). Only 6 golfers shot par or better for their net score and we all played from the white tees. Go figure!

Take a moment and look at the closest to the pin winners. Three of the four golfers hit the ball within ten feet – *congratulations once again*. We've only had one hole in one lately, could another one be in the cards for someone soon?

In closing, this tournament was a lot of fun. The last tournament of 2011 is scheduled for Friday, November 4<sup>th</sup>, 2011. We will be playing the annual turkey shoot at Mather golf course. Hope to see you at “Mather” next month.
